Ebooks are available in PDF, EPUB, Kindle and plain text files, though not all titles are available in all formats.

Unto Others The Evolution And Psychology Of Unselfish Behavior

To enter the realm of books is grasping our physical brain but was unable to explain what consciousness is. Why is the mind so difficult for science to understand? Why can't mental phenomena carry more parallels than almost any abstracted biological? These levels of association are proxies for the amount of resources taken by parasites, which often result in costs ...

Chosen by fallen angel to bring endless war and suffering to humanity

The adult entertainment industry is considering cryptocurrency payments, after OnlyFans’ issues with conventional banking led to a temporary ban of sexually explicit content. The adult entertainment industry says crypto authenticity, following OnlyFans drama
